Health Insurance Services:

We provide health insurance solutions for companies and individuals, offering comprehensive coverage options that align with UAE regulations. Our services include selecting the appropriate insurance plans, facilitating policy management, and ensuring compliance with local health insurance laws.

Office and Warehouse Provisioning:

We assist businesses in sourcing and leasing office spaces and warehouses within the UAE. This service includes identifying suitable properties, negotiating lease agreements, and ensuring operational efficiency for businesses.

Company Establishment in the UAE:

We specialize in assisting foreign and local investors in setting up companies in the UAE. This includes obtaining the necessary licenses, handling legal documentation, and securing approvals from government authorities. Additionally, we provide advice on optimal legal structures and business models.

Account Auditing and Tax Consultancy:

Our team provides auditing, bookkeeping, and tax consultancy services to ensure companies comply with UAE accounting and tax laws. We offer support with financial reporting, VAT filing, and strategic tax planning to optimize business operations.

Government Services for Companies and Individuals:

We provide support in obtaining various government approvals, visas, and documentation for both companies and individuals. Our services cover visa applications, trade licenses, labor contracts, and other legal requirements for businesses operating in the UAE.

E-Marketing and Website Creation:

We offer digital marketing services and website development to help businesses establish a robust online presence. Our services include SEO, social media marketing, content creation, and building user-friendly websites to enhance brand visibility.

Brokerage Services:

Real Estate Brokerage:

We provide real estate brokerage services, including the buying and selling of properties and land, leasing residential and commercial properties, and offering real estate consultancy.

Insurance Brokerage:

We act as intermediaries for insurance products, selling and marketing insurance services for insurance companies. We also provide insurance advisory and guidance services to clients.

Commercial Brokerage:

We offer brokerage services for the buying and selling of products and services, marketing and promoting brands and products, and facilitating negotiations and contracts between parties.

Financial Brokerage:

We provide brokerage services for securing loans and financing, as well as investment brokerage and financial advisory services.

Commodity Brokerage:

We facilitate brokerage services for the supply of goods and raw materials.
